

## **FEE POLICY AND PROCEDURE AS AT NOVEMBER 2019**

Effective January 2019 South East Melbourne Netball Club ("SEMNC") will have a new FEE POLICY & PROCEDURE.

You may not be aware but over two thirds of player fees are required just to cover the running costs of the club. We also need to raise funds for other essential equipment, coaching courses, player clinics, training aids, venue hire and the like to ensure we provide the best possible environment for our players and members.

Due to the increasing numbers, increasing association fees and increase in running costs we will be changing this procedure and being much firmer on receiving fees and allowing players to play for SEMNC. We have no choice but to introduce the following procedure:

1. Upon registration, as is the case at all sporting clubs, a player's financials will be checked. If the player is un-financial (has monies owing from current or previous seasons) they will be unable to register until the player is financial (no monies owing to the club).
2. If full payment of fees upon registration for the upcoming season cannot be made, the member must approach the Treasurer whilst at registration day and organize a payment plan.
3. Any payment plans will be organized and set up by the Treasurer. Payment plans will not include apparel, please see below for further clarification.
4. Any player who hasn't paid fees or entered a payment plan will not be selected in a side for the following season until either of these options is completed.

### **COLLECTION OF NEW APPAREL**

Please note if full fees are not received you will not be able to collect any apparel that may have been ordered and therefore be unable to take the Court.

### **NON REFUNDABLE REGISTRATION FEE**

Upon Registration, a non refundable fee of \$20 is to be paid before your registration will be accepted. No Team Placement will be given until this fee is made. If you decide to withdraw your registration at anytime before or during the season, this fee will be kept by SEMNC.
